

» ChargePack Elite

Take control of your power and start your electricity savings journey with Bradford Energy. We offer a carefully selected range of solar energy products that we believe offer you the best combination of excellent performance, superior reliability and enhanced value. This package includes the innovative Tesla Powerwall home battery and LG NeON® solar panels which consistently deliver more output and long-term peace of mind.

Capture

325 Watt NeON® 2 LG Solar Panels

- Double sided cells and CELLO technology absorb light from the front and the back of the cell.
- Proven field performance.
- Improved high temperature performance.
- “CELLO” technology increases power.
- Extreme wind load resistance.
- Enhanced low light performance.
- Award winning technology.
- Manufacturer's Warranty: 25 years[~].

Convert

SolarEdge Inverter + DC Optimisers

- World's most efficient inverter technology at 98.3% to 99.2%.
- DC Optimisers maximise power harvesting from each solar panel.
- Flexible system design for maximum space utilization on difficult roofs/orientations.
- Manufacturer's Warranty: 12 years[~].

Store

Tesla Powerwall

- Surplus solar energy produced is stored in Powerwall to power your home at night.
- Completely automated, water resistant and dust proof that requires no maintenance.
- Seamless optional upgrade to backup power available for your home: Powerwall 2 can protect your home during a power outage.
- Energy capacity: 13.5kWh
- Manufacturer's Warranty: 10 years[~].

Control

Tesla App Monitoring

- Enjoy connecting directly to your smart home. Seamlessly monitor and automatically manage your solar and Powerwall anywhere with your intelligent monitoring app.
