

## » SolarPack Elite

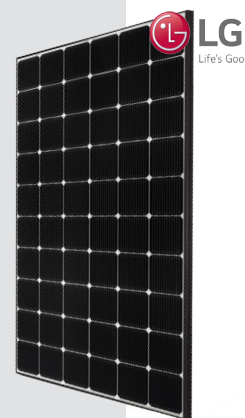

### Upgrade to High-Performance LG Solar Panels.

Take control of your power and start your electricity savings journey with Bradford Energy. This package includes the innovative LG NeON<sup>®</sup> 2 solar panels which have seen many improvements, from longer warranties and higher efficiency to stronger frames and better wind loading.

#### 325 Watt NeON<sup>®</sup> 2 LG Solar Panels

- Double sided cells and CELLO technology absorb light from the front and the back of the cell.
- Proven field performance.
- Improved high temperature performance.
- “CELLO” technology increases power.
- Extreme wind load resistance.
- Enhanced low light performance.
- Award winning technology.
- Manufacturer's Product Warranty: 25 years<sup>~</sup> (parts & labour).

#### SolarEdge Inverter + DC Optimisers

- World's most efficient inverter technology at 98.3% to 99.2%.
- DC Optimisers maximise power harvesting from each solar panel.
- Flexible system design for maximum space utilisation on difficult roofs/orientations.
- Manufacturer's Product Warranty: 12 years<sup>~</sup>.

#### Cloud Based Monitoring

- Full system monitoring: Energy production and consumption data.
- Individual panel level monitoring.
- Available for all major web browsers.

<sup>~</sup> Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

\* Limited time upgrade offer ends 31st March 2019. Valid to selected Bradford Energy SolarPack's and ChargePack's. Applies to metro cities only and not available in all areas. Price based on a standard installation for a tin roof single storey house and within 50km of a Bradford Energy installer location. Not available with any other offer. For full terms and conditions see: [bradfordsolar.com.au/lg-neon-2-upgrade](http://bradfordsolar.com.au/lg-neon-2-upgrade)
