

## » ChargePack Retro

Take control of your power and start your electricity savings journey with Bradford Energy. Add the innovative Tesla Powerwall home battery to your existing solar system and access clean solar energy day and night. Contact our Bradford Energy Concierge service to add this system to your household energy needs.

### Tesla Powerwall 2

- Surplus solar energy produced is stored in Powerwall to power your home at night.
- Completely automated, water resistant and dust proof that requires no maintenance.
- Seamless optional upgrade to backup power available for your home: Powerwall 2 can protect your home during a power outage.
- Energy capacity: 13.5kWh
- Manufacturers Warranty: 10 years.

### Tesla App Monitoring

- Enjoy connecting directly to your smart home. Seamlessly monitor and automatically manage your solar and Powerwall anywhere with your intelligent monitoring app.
